March 16, 2020

Dear Poteet ISD Parents, Guardians, Students, Staff, and Community,

By now you know that Poteet ISD has closed for the week of March 16-20. We hope that you and your family are safe and taking precautions to navigate through this public health crisis. In the meantime, our leadership team has made some decisions for both the short-term and the long-term should this school closure extend beyond this week.

- We will begin serving breakfast and lunch starting on Tuesday, March 17, 2020 to all Poteet ISD students. Breakfast will be served from 7:30 am to 8:30 am. Lunch will be served from 11:30 am and 1:00 pm. We will facilitate this from our Poteet Elementary Cafeteria via drive through/pickup method. Students must be present to pick up breakfast and/or lunch. Please enter from School Drive and exit to Leming Highway.
- Campus administration and teachers will be planning the week of March 16-20 on providing instruction to our students through a combination of online lessons and homework packets.
- Should we extend the closure of school beyond this week, we will put out a schedule for your student to be able to see lessons from their teachers via YouTube coupled with “homework” packets that can be picked during lunch pickup. We will put out lessons and make the packets available every Monday. We will be available to receive the completed packets every Friday for grading.
- You and your students can email their teachers directly with questions about their lessons.
- Please make every attempt to watch the lessons and complete the packets provided. We want to expose our students to as much instruction as possible and to be able to measure their progress and to provide feedback on their performance.
- We will be flexible in our approach and will make adjustments as we deem necessary.
- We welcome questions and feedback on both our meal services and our instructional services.

As new information comes in, we will make it available on our website at poteetisd.org and on our facebook page.

Sincerely,

Charles Camarillo
