November 18, 2020

Parents, Guardians, Staff and Students,

Due to the climbing number of COVID 19 cases in our county and community, we have decided to close school on Thursday and Friday as a precautionary measure to keep our students and staff safe.

We do ask that you continue to complete assignments through Seesaw for Thursday and Friday.

No meals will be served on Thursday or Friday.

We hope that you enjoy your break and please remember to practice safe and healthy practices during this Thanksgiving break.

School will resume on Monday, November 30, 2020.

Sincerely,

Charles Camarillo
Superintendent of Schools
