December 7, 2020

Dear Poteet ISD Students, Parents, Guardians, and Community,

The purpose of this letter is to give notice that Poteet ISD will return exclusively to face-to-face learning for the second semester which begins on January 5, 2020.

We have determined that remote learning has worked well for a very small percentage of students. The mass majority of students who have chosen the remote option have not been successful and we are finding that they are falling further and further behind.

Therefore, in the best interest of our students and our district we will dissolve the remote option for students for next semester. Only those students who can show a medical need to continue the remote option may do so as long as we have medical documentation that prescribes it.

Parents and guardians have two options should they decide to not return to face-to-face learning:

1. Withdraw from Poteet ISD and homeschool.
2. Transfer to another district that allows students to choose remote learning.

Please contact you child's campus for additional information. You may also contact me via email at cwcamarillo@poteetisd.org with questions or concerns relative to this decision.

Sincerely,

Charles Camarillo
Superintendent
Poteet ISD
